BUYER QUESTIONNAIRE

Thank you for your interest in one of our puppies. We always want our puppies to go to the best homes and love to find out all about our prospective buyers. We would be grateful if you could complete the following short questionnaire, which is strictly confidential.

→ **Why do you want a dog and why specifically a Cavapoo?**

→ **What are your work commitments and will there be someone home during the day?**

→ **Have you owned a dog before and do you have the time for the demanding needs of a puppy?**

→ **Will you be committed to the grooming that a Cavapoo requires? i.e regular brushing to prevent matting and a professional groom every 6 to 8 weeks.**

→ **Who lives in your household and do you have outside space like a garden or a yard?**
